

Aviant

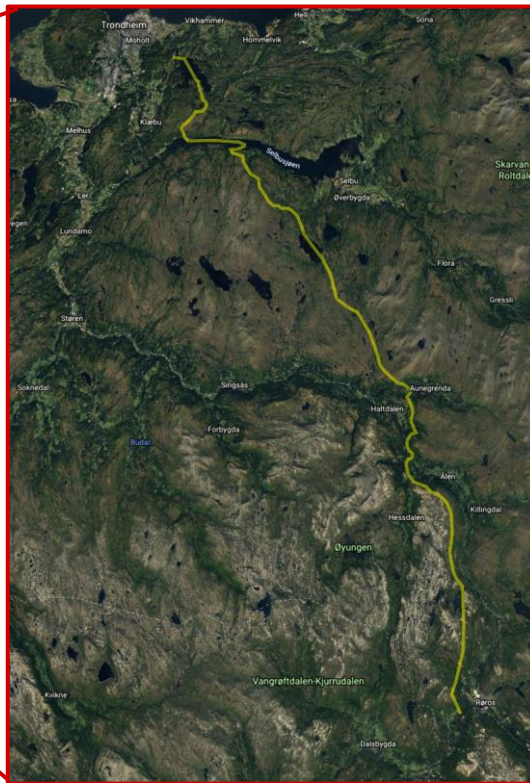

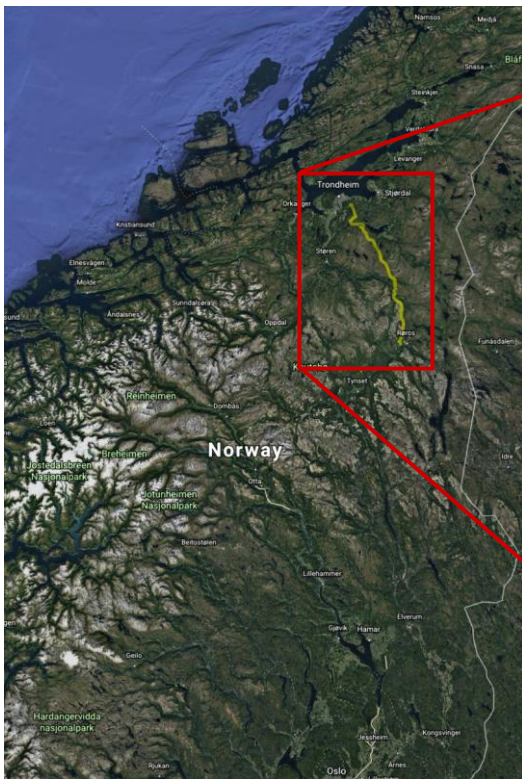

Lessons learned from long-range transportation in Trøndelag and Jämtland

What we do

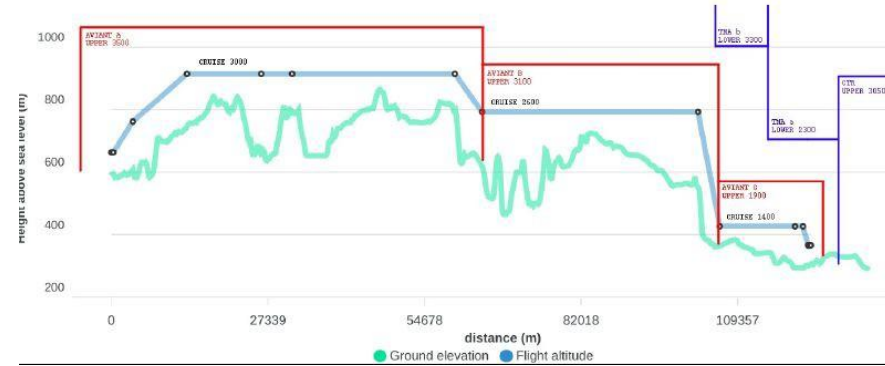

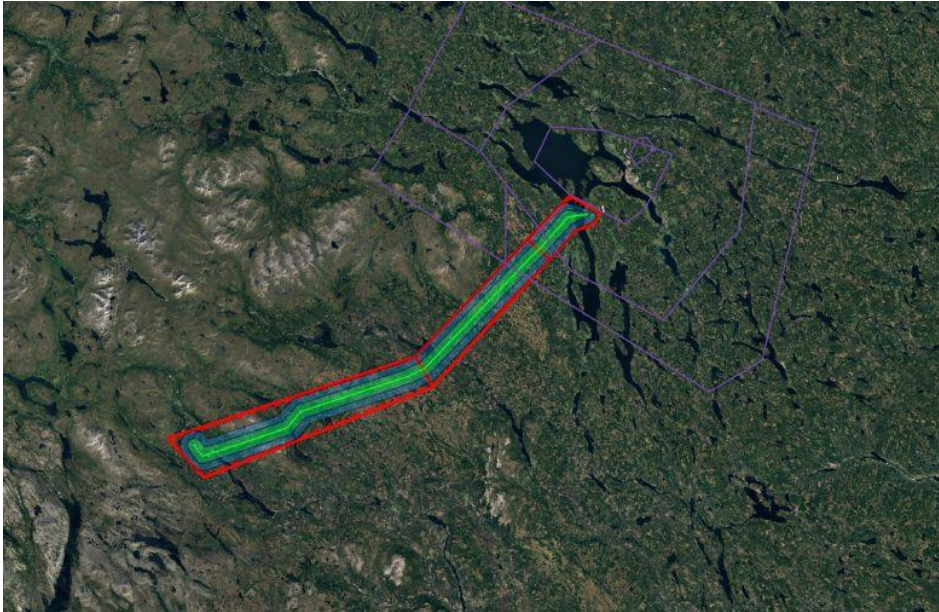

Medical transportation over long distances

Our routes: Røros-Trondheim

Our routes: Funäsdalen-Östersund

Main challenges for long-distance flight

- Airspace coordination
- Terrain altitude
- 4G coverage
- Drone recovery

What now?

- Begin historic flights in Jämtland
- Expand to Västerbotten
- Deliver!

Västerbotten County
